

Orders totalling over **100 GBP** are delivered **free of charge** within United Kingdom. Orders totalling less than this are charged at 10 GBP per delivery.

Deliveries in United Kingdom will be made by DHL / Royal Mail or a haulage firm (from 31.5 kg) within **3 to 5 working days** after the order is placed.

DHL Express delivery option

During the checkout process, you will have the opportunity to select DHL Express. Orders which are placed until 12.00 p.m. and are in stock, will be shipped on the same day. The additional fee depends on your delivery address and cart.

Payment methods

myRobotcenter offers a number of payment methods.

- PayPal

You can also pay with PayPal at myRobotcenter. With the PayPal online payment service you can pay quickly, safely and hassle-free in online shops - and it's free. With PayPal PLUS we offer you the option, to conduct your payment via credit card (you do not need a PayPal account).

Summary of advantages

Safe: Your bank or credit card details are only disclosed to PayPal. As a result they are not sent via the internet each time you make an online purchase.

Simple: You pay with just two clicks using the bank or credit cards saved with PayPal instead of having to re-enter these details each time you make a purchase.

Fast: PayPal payments are transacted quickly. myRobotcenter dispatches the goods immediately.

Register and use PayPal immediately

- open a [PayPal account](#)
- link your bank account or your credit card to your PayPal account and you can start paying with PayPal

You'll find more information about PayPal [here](#).

- Payment in advance

If you choose payment in advance as your payment method you will receive confirmation of your order once it has been successfully submitted. Please transfer the stated amount to our account, referencing the invoice number and your customer number. Once the money has reached us - this generally takes 3-4 days - we will send you the goods without delay.

When you pay in advance we give a **discount of 2 %** off the gross price.
